March 25, 2020

Dear Patient,

As we all know, the COVID-19 pandemic is creating a fluid situation. We thought it important to provide an update on how these recent events are impacting our clinic and above all else the safety and health of our patients and our team.

We have decided through careful consideration of the health and safety of our clients, staff, community and recommendations of the provincial and federal government that we will be closing our clinic until April 6, 2020 unless instructed otherwise.

This does not mean that our commitment to your care changes. We are dedicated to delivering and meeting your hearing care means, however we can during this time. We encourage you to visit our Website and our Facebook page to communicate with our staff, as well as use it as a support system.

If you require any assistance with your hearing health, or hearing aids, please contact us through the following:

Phone: (705) 673-2885 or call Toll-Free at (877) 255-4976

Email: info@sudburyaudiologyclinic.com

Facebook Page: <https://www.facebook.com/Sudbury-Audiology-Clinic-124826275583536/>

Website: sudburyaudiologyclinic.com

As our excellent public health authorities have suggested, we should all do our fair share and take social responsibility so that we can contain the spread of this virus. This being said I wish everyone to stay safe through these hard times .

All the best,
Sudbury Audiology Clinic
